The world of real values
The world of Peace

Pax Fides Vow or Peace Declaration

All religions should sign it.

- God can have many names
- Religions are different ways to worship God
- God stands for peace
- To reach God one must reach peace
- To reach peace one must reach humanity
- To reach humanity one must try and respect human values to the maximum
- Peace for Mankind is peace for God
- Violence of any kind is inconsistent with peace and thus with God
- Killing in the name of God is against peace and thus against God
- Religions categorically condemn any kind of violence
- Religions unite to promote peace and humanity.
